Kabir Sethi
B.Tech Computer Science (AI), 3rd Year | Sample Institute of Technology

SKILLS
Python, PyTorch, scikit-learn, Pandas, NumPy, OpenCV, NLP, LangChain, RAG, SQL, Git

PROJECTS
Crop Disease Detector - PyTorch, OpenCV. Trained a CNN on 20k leaf images and reached 93 percent accuracy.
Resume Ranker - Python, scikit-learn, NLP. Ranked 500 resumes against job descriptions using TF-IDF and embeddings.
Campus FAQ Chatbot - LangChain, RAG, Python. Retrieval-augmented chatbot over college circulars.
Sales Forecasting - Pandas, NumPy. Time-series forecasting for a local retail dataset.

EXPERIENCE
ML Intern, DataNest (May-Jul 2025): cleaned datasets with Pandas and trained gradient-boosted models in scikit-learn.

PUBLICATIONS
Co-author, student conference paper on lightweight plant-disease classifiers.
